My Campaigns

The screenshot shows a dashboard with a dark header containing 'DASHBOARD' and 'I AM HERE TO:'. Below the header is a breadcrumb trail: 'DASHBOARD > PROPOSALS > MY CAMPAIGN'. A navigation bar includes tabs for 'My Campaigns', 'My Company's Campaigns', 'Proposals Received', 'My Company's Proposals', and 'Campaign Builder'. An 'Advance Search' bar is present with a plus icon. Below this, it says 'Displaying all 24 proposals'. On the left, there are filters for '2016' and 'Previous Years'. The main content area is split into two tabs: 'Current' (active) and 'Hidden'. The 'Current' tab displays a table with the following data:

Campaign Name	Created By	Company	Notes	Status
?test hgidden	Kylie Agency	MOVE Agency		Hide
test	Kylie Agency	MOVE Agency		Hide
Package bug test	Kylie Agency	MOVE Agency		Hide
test	Kylie Agency	MOVE Agency	scheduler test	Hide
Tester3	Kylie Agency	MOVE Agency		Hide

In the My Campaigns view you will now be able to see 2 tabs. “Current” and “Hidden”. These tabs are only for the purpose of organisation and they will not delete or affect the campaigns in any way.

Current: This tab is for campaigns that you would still like to use and need quick access to.

Hidden: This tab is for campaigns that you may no longer have use for. Hiding Campaigns will not delete them, they are only moved under a new filter.
